Features

- Headline You can set the headline to be shown at the top of your squeeze page
- Text You can enter the text for your squeeze page
- Benefits Of Subscribing You can optionally turn the text into bullet points automatically, to emphasize the benefits of subscribing
- Offer Gifts You can include an image or photo of any gift you are offering
- Signup Form You can paste your signup form from your autoresponder with a single click
- Enter Privacy Note You can enter a privacy note to assure visitors that their details are safe
- Subscribe To Squeeze Page You can allow visitors to skip your squeeze page, so those who don't want to subscribe can still reach your sales page (this is optional)
- Email List You can set the color for all the different text items at once - or set the color for each item individually, all using a simple color selector
- List Builder You can automatically include special code to avoid showing the squeeze page in future to visitors who have already subscribed

Its very easy to create a squeeze page, enter your details, click on Create Squeeze Page and your complete, ready-to-use optin page is generated quickly and automatically. Now hows this for a powerful feature, the software remembers all the text and colors you enter so creating more new squeeze pages takes just a matter of seconds. As the created squeeze pages are normal HTML pages, your able to edit them with any HTML editor you want very easily. Honestly, this really is the ultimate power tool for creating your own complete list building squeeze pages. Take a look at just how easy to use this software is ...
