"Finally, an easy way to squeeze more profit out of your exit traffic!" Revealed! New Technology Knows The Very Moment Someone Try's To Leave Your Website And Stops Them Right In Their Tracks With A Profit Generating Unblockable Exit Popup! Applying This Quick Change Will Instantly Increase The Profits Of Any Website... Guaranteed! Dear Marketer, Wouldn't you agree getting traffic is one of the essential tasks all internet marketers must do? Of course! What bugs me is that after all the hard work of getting people to a website, the majority of them won't stick around long enough to have made the work worth while. What if you could get a second chance at all these website runaways? What if you had a way to pull their attention back to your site, to capture their email, or give them a special discount or alternative offer before they're gone for good? Do you think that would help you increase your profits? Of course it would! Well I've developed an awesome, easy-to-use system that allows you to do just that... Introducing... 'Exit Profit Generator Version 2.0' Exit Profit Generator is a small php script you can use to generate mini 'exit traffic marketers' for as many websites you want.
