No questions asked..(provided you follow all the instructions as stated in the how to guide) Why do you want a US Bank Account? If you are selling using PayPal, Ebay, 2Checkout, Stormpay or any other common payment service, you know how expensive and time consuming is to get your funds in your country. Getting checks emailed to you can cost anywhere from USD\$ 5,00 to USD\$ 30,00 plus the charges that your local bank will take for the international deposit. There are some services that wire the money to your local bank but there are not cheap, if available. But the most important of all problems the time. It can take weeks or even months to see your money. Specially if you sell occasionally and your payment service have a high minimum required before send you the checks (PayPal requires USD\$ 150,00 plus USD\$ 12,00 for mailing costs). Lets face it. * If you use PayPal or Ebay to make some money occasionally. You need a US Bank Account. * If you have, or want to have, clients in the U.S. You need a US Bank Account. * If you want to make serious business in the Internet. You need a US Bank Account. Now there are 3 ways you can open an account in the US: How to Open an US Bank Account - Expensive Method You can search in your local city if there is banks that gives this service. In my home town they ask for tons of papers and references. And a minimum deposit from USD\$ 2000,00 to even USD\$ 10000,00 (Yes, you read it right, ten thousands!). I don't think this is the best way. How to Open an US Bank Account - Never ending Method You can also spend weeks and months researching in the internet. Looking site after site, asking bank after bank, making phone calls and sending emails just as I did. Banks will give you answer like this: * You need a Social Security Number. * You need a US Address. * You need notarized documents. * You need to come to US to sign some papers. I have clients that

spent years. thats right, YEARS trying to find out how to open a US Bank Account fast and without all the problems. This is a legitimate service I can strongly recommend to the international community seeking to open a U.S. bank account in a legal and hassle-free manner. Excellent information about the most efficient and practical method of opening a U.S. bank account for non-residents. I was equally impressed with the low cost of this service." Carlos Z. Hongkong "Great service. Very responsive and responsible. Highly recommended. A++." Jim London Your service is just what I was looking for. I used to have US bank account but the bank concerned decided to close all non-US accounts below a certain value after 9/11 because of the reporting requirements by their government. I'd sure promote your service and in fact am preparing for that.
