

Some Fresh Jokes Really Funny

[DOWNLOAD HERE](#)

There are three jokes this is one of them: Once they made a million dollar prize to whoever has ten children. A man who had nine children told his wife, I will take my son from my secret other wife, so that we can have ten and take the prize". When he brought his child he did not find his nine sons. He asked his wife Where are the children?, and the answer was, Their fathers took them. Tags: humor funny jokes laugh jokes jokes joke laughing kidding
