Here's How To Get 5 Unique, Exclusive Themes Delivered To Your Inbox In Minutes And What's More, You Get Full Master Resell Rights To Them As Well! Dear Frustrated Blogger, If you've been bloggin' with Wordpress for a while, then you've probably found out that finding unique, exclusive Wordpress themes is not that easy. Sure, you can use one of the free themes out there, however they are already being used by LOTS of other people. So, where does that put you? Your next choice would be to get a Wordpress designer to create a unique theme for you. If you've ever done this, you know that this is going to set you back \$147+ I am afraid that those were your only options.... - But Wait!!! Before you start doing that, lets just look at why you should use Wordpress. This script is a complete content management solution that comes free with most web hosts. Here are just a few of it's many features... WORDPRESS \*Installs with just a few clicks. \*Allows you to create a website without knowing any HTML. \*Add content simply by typing directly into the interface or by copying and pasting it in. \*Can easily change the look and feel of any site through templates. \*You can have multiple categories for easy browsing and higher search engine positions. \*Comes complete with it's own RSS feeds. \*Automatically informs various other services (pings) when you add, or update your content. \*And lots more.... Wordpress makes creating your own, low maintenance websites a breeze - and better yet - the search engines loves them! So that's why Wordpress can literally be your best, and closest friend, at least when it comes to launching your own websites.
