Because it truly is a great day for you if you're looking to make some money today... and tomorrow... and next week... and next month.... Why? Because you now have the opportunity to take advantage of a truly unique offer that doesn't come along too often. The opportunity to literally hit me over the head, take my money and confiscate my latest, most prized possession. You see... I seldom write, design, create, and release PLR products... but today I've decided to once again give you a rare opportunity to unlock yet another shimmering nugget from my closely guarded "pot of gold". No doubt, It's not coincidence that you've landed here today! Nope... Call it fate... Call it luck... Call it manifestation... Call it being in "the right place at the right time"... Whatever the explanation... today's your lucky day! Money-Makers Just Don't Get Any Better Than This! Here's the deal... I recently wrote, designed and created a valuable and unique product consisting of two inner-related modules called the "Squeeze Page Profit System". MODULE 1 Squeeze Page Combo Pack In this "never before released" module you'll receive two professionally designed and optimized squeeze pages all setup and ready for you to just add your content. Best of all... what makes this combo squeeze page pack so amazing is the way the pages were designed and setup. You'll never have to worry about editing any graphics on these pages. These pages were professionally designed with the NOVICE (as well as the professional) in mind! Yes... you receive Module1 With Private Label Rights as part of this complete package. Best of all, not only do you have the private label rights to resell this package, but you'll also have the opportunity to use both squeeze pages included in this system for your own personal use. Note: You'll be able to view both squeeze pages in just

a moment ;-) And I didn't stop there.... I also wanted to ensure anyone who purchased the new squeeze page templates knew the tricks of the trade when setting up their squeeze pages for maximum subscriber rates and maximum profits. And that's where Module 2 came along... MODULE 2 Squeeze Page Secrets Insider's Guide In this condensed - NO Fluff - report you'll discover the Top 10 Stupid Mistakes most Internet Marketers make regarding their squeeze pages... and what you must do every time to guarantee your optin success! You will also receive Module 2 with Private Label Rights as part of this complete PLR package. You'll Also Receive Much More Than Just A Professionally Designed Graphics Package But let's start there... You're going to receive each cover in three distinct sizes (Sm, Med, Lg). Also included is a "grouped image". You will also receive the PSD Photoshop Source Files for all graphic designs. You will also receive a completely setup, professionally written and designed sales page to sell the "Squeeze Page Profit System". You will notice on the sales page you're about to view that you will not only receive a "top-shelf" design most would kill for, but you'll also receive a few extra goodies like: testimonial boxes, a "Guarantee" box, screenshots (and full-size linked images) of the actual squeeze pages included in Module 1. (Be sure to check out the squeeze pages for yourself. Remember, you'll also be able to use these professional squeeze page designs for your own personal use as well!) and much more. You'll also receive an copy of the sales page you're viewing right now. You can use this sales page to sell the Private Label Rights to your customers as well. This is a professionally designed, professionally written sales page that's included in your PLR package. You'll also receive the raw Word.doc file for the "Squeeze Page Secrets" Insiders Guide. You can edit it any way you'd like, add your name as the author, add to the content to make it even more unique and informative.... the choice is yours. This is a 7 page condensed guide explaining the importance of list building and how to setup a proper squeeze page to ensure maximum subscriber rates. First... let's take a VERY CONSERVATIVE look at the pricing if you were to purchase everything separately: Two pre-built, fully customizable Squeeze Page Templates $100.00 Two eye-popping and unique, professionally designed sales page templates (one to sell the actual system and one to sell the PLR) $300.00 Two professionally written sales letters (one for the actual system and one to sell the PLR) $1000.00 A professionally written 7 page guide with e-cover in three sizes $150.00 Software box cover for Module1 of the "Squeeze Page Profit System" in three sizes (sm, med, lg) $50 The Private Label Rights to the entire system allowing you to put your name as the owner and author and resell for 100 of the profits. $250.00 TOTAL IF PURCHASED SEPARATELY $1850.00

But you're not going to pay anywhere near $1850.00 when you purchase the complete "Unrestricted" Private Label Rights to this unique product... For the first 100 lucky warriors who purchase, you'll get the entire system complete with graphics, sales pages... pre-built squeeze pages (for personal use as well)... the complete system for only $8.95. To order you copy with Private Label Rights, simply click on the link. No waiting. You'll be able to download your entire package immediately! To Your Success, Timm Miller P.S. Don't forget... you not only receive the entire system with PLR, but you'll also be able to save a copy of the two pre-built squeeze pages for personal use. That's at least a $100 value alone. P.S.S. This product is truly brand new, hot off the presses.... It's never before been released to anyone so you really do have the first shot at turning it into a real money maker. Don't forget... This is the perfect package to: Sell as a 'stand-alone' system for a hefty profit... To give away as an added bonus for your existing product... To offer to your optin list as a freebie... To resell the Private Label Rights to... To add to your membership site... The list goes on and on! Don't let this limited opportunity pass you by! Just think... you can sell the "Squeeze Page Profit System" course today... then turn around and sell the PLR to the entire system next week and easily TRIPLE your profits! I've designed all the graphics and written both sales pages for you. Now you just need to set everything into motion ;-) Take action!
