"You Are About To Discover The Never Before Revealed Secrets For One Of The Most Successful Launches Of All Time...For FREE!" Listen In While Mike Filsaime And Tom Beal Spill Their Guts On All The Secrets Behind Their 7 Figure Code Launch... When I originally set up this interview with Mike Filsaime and Tom Beal it was for my coaching members to learn how they pulled off their successful launch. The truth was that even though I had attended Mike and Toms 7 Figure Workshop Seminar in March of 2007, I had my own questions that I wanted answered. I wanted real sales numbers, real conversion percents, and ideas to help my own business. Well...they answered everything...even my question that was about why they were so bad at Foosball. Here Are Just Some Of The Techniques, Strategies, and Secrets You Are About To Discover... All the ins and outs of their massive launch and how and why this was one of the most successful promotions of 2007. Why its important to set a launch date and then stick to it. The importance of creating friendships when it comes to promoting your product. Techniques to getting your own affiliates excited to sell your product. Find out why its important to start with the backend product first. Understand the psychology of putting offers in front of your customers. Take advantage of the opportunity to learn from their mistakes. See why you dont have to have it right, you just have to get it going. You can now find out all the details that we talked about and the good news is that it wont cost you one cent... Tags: plr, mrr
