So, you can appreciate the time that he is taking to be with us to describe his business, exactly how he works, and pass on a lot of information as far as being a copywriter and what you can do to actually write your own copy; the formulas he uses and the secrets he has. You will get ebook in two formats as MS-WORD and PDF. Graphic images in PSD and JPG. 4 Audio files of the interview. But unfortunately, this package has no sales page.
