Readers are cautioned to reply on their own judgment about their individual circumstances to act accordingly. This book is not intended for use as a source of legal, business, accounting or financial advice. All readers are advised to seek services of competent professionals in legal, business, accounting, and finance field. Perceived slights of specific people or organizations are unintentional. You are encouraged to print this book. INSIDE THE BOOK: Terry: Hi, youre listening to Terry Telford. Well start off with our legal disclaimer. All material is to be used for informational purposes only. We do not guarantee results. Any of the results that you achieve are based on your own personal basis. Today Id like to introduce to you Ken McArthur, the owner of Affiliate Showcase and JV Alert. I wont get into a whole lot of background well just jump right in. Id like to first of all say thank you very much for being with us here today, Ken. Ken: Its my pleasure. I always enjoy doing these kinds of things. Terry: And we enjoy listening, and sucking out as much information as we can. Lets start out with your background. Before

you got online, what were you doing? Ken: Ive been in computers since the dark ages. Thats way back to punch cards; Im sure you dont remember what those things were like, but maybe there are some really old people listening right now who would remember things like that. I kind of came up through a wide range of careers. I have a poster up on my wall that shows a couple of things that Ive done throughout the years. That includes being a policeman, to being a pet store owner, to a teacher, to a choir director, and that list goes on forever and ever. You dont have to wake up one day and say, Im going to be an Internet marketing expert and this is my career, because when I was born, there wasnt such a thing. So, if you asked me what I was going to do when I grew up, I probably would have no idea. Terry: Youd probably want to be a policeman, a pet store owner, a choir director Ken: Probably. I have been involved with computers, and I helped develop forecasting and logistical software for Pepsi and Coke. So, Ive been working in the big corporate market, and I wanted .... READ ON ......
