An Astonishing New Software Package That Generates HTML Ezine Issues On The Fly And Can Make an Internet Publishing Star Out of YOU...WITH RESELL RIGHTS FOR THE FIRST FIFTY WHO ORDER.... From: Timm Miller Have you ever wanted to publish your own attractive, online, html newsletter and... *Be respected within your industry? *Help people learn more about your trade? *Earn revenue from sponsorship advertising? Well if you've ever wanted to create eye-popping html newsletters in a snap, then you'll be interested in this hot new software package! I'm about to introduce to you a brand new Windows software package that will help you create professional, high quality html newsletters for all of your web sites, programs, and offers - NO HTML KNOWLEDGE REQUIRED! Are you a current eZine publisher who sends out all-text eMails to your subscribers? Well if you are, I'm willing to bet that your response rate could be a lot greater if you offered online HTML newsletters! HTML newsletters are simply the best way to produce your issues - hands down! Whether you are a complete newbie who has no idea how to write .html code or a seasoned professional who needs more time....this new software package will knock your socks off! Introducing...eZine Machine V.1 .. Brand New Software For Easy HTML Newsletter Generation! Newsletters are powerful marketing vehicles that can build your customer base, sustain contact with clients, promote your products, AND establish your online credibility. The newsletter is one of the most effective promotional tools in your e-marketing mix and it costs little - or nothing - to implement. Average webmasters who may not know how to write eye-popping HTML newsletters miss out on the many advantages that more advanced webmasters experience simply because they do not have the technical knowledge necessary to do otherwise. This simply just isn't fair for the little guy and I have set out to change it! I mean, Why let all of the big guns have all of the fun? By releasing eZine Machine V.1, I'm offering you a way to write eye-popping HTML newsletter issues on the fly-- without HTML knowledge!! Simply choose which template you'd like to use, enter your personal information and let the software do the rest! The top 5 reasons for offering an online HTML newsletter.... *The more words in your eMails, the greater the chance that the spam filters will send it straight to the trash can - bad news

for you! *People are tired of boring black and white eMails with tons of text! They simply just don't read them anymore! *HTML newsletters are archived and indexed on search engines because they are actually web pages on your server. They will in fact INCREASE your web site traffic. *HTML newsletters give you a way to present your material in a creative, attractive, and fun way to your subscribers. *It's not a secret that eMail is being filtered by the billions today. With this new software, any webmaster can create, print, and display their own attractive, well-designed, html newsletters in a flash! eZine Machine V.1 FEATURES... *Reset, Preview, Copy Code Buttons - You can reset your issue information, preview your generated issue, and copy the .html code to your computer using the easy to use button interface. *No HTML Knowledge Needed- eZine Machine V.1 will take you by the hand and will ask you each necessary question one step at a time. At the end, you can preview and copy the code automatically. Easy as pie. *On Board, Ready-Made Newsletter Templates- Simply pick a template that suits you and add your personal issue information. Several templates with professional quality graphics already added! *Professional HTML Newsletter Generation- You can create an unlimited number of HTML newsletter issues quickly and easily with this new software. eZine Machine V.1 will provide you with one custom newsletter issue, according to your specifications! *Logo Browse, Preview, Insert Function - Ezine Machine V.1 offer allows logo or other graphic importing directly in to each newsletter issue that you generate! You'll be able to search for the logo on your computer system, preview it , and add it to your newsletter issue! *Customization Features - Ezine Machine V.1 will construct each newsletter issue with the information that you provide including: Header image url, top contents, right contents, publisher name, publisher website url, publication date, issue number, publisher comments, article title, author name, resource box, newsletter sponsors, recommended web site urls, copyright information, and support information!
