

Turnkey Game Cheat Membership Sharing Php Script

[DOWNLOAD HERE](#)

Buy and download your own Game Cheat membership sharing php search script, works great for letting others to share and search for game cheats. The membership for your website visitors will be free, You will earn your money from the Google AdSense ads that you have on the script, or else any other ads that you implement into the script. You the website owner gets an Admin Panel area which allows you to edit categories, edit delete and manage settings, members, listings and also send Newsletters to all your members. Great website script to use to start building members for a mailing list. Once you login to the admin area you can add your AdSense Pub Id and your Google Ads will be displayed on almost every page in return earning you money for each advertisement clicked. - Notice once you add your AdSense pub id then it still may take a short few until your ads are fully displaying, The more content the better they will display. This script comes almost empty, there is the admin user plus 1 extra user which has 3 sample listings, You can delete that user from the admin area. Script has been tested and does work on Php Mysql 4 or higher, comes with install instructions, does require basic mysql installation. This script comes with no restrictions, you can use it on an unlimited amount of domain names, you can customize it, redesign and redevelop it or anything else you may want to do with it since It was hand coded by Me myself and my partner...
