

This Connection Of Everyone With Lungs - Juliana Spahr

"In a time of war, dirty air, missile worship when all oracles seem silenced, from every eco-lyric pore these fine auroras of This Connection of Everyone With Lungs have been streaming. Registering 9/11 as cellular rupture, this is a work of full globality which redeems our time, makes us remember all that poetry is capable of as form, frame, syntax linking air, earth, lung; what Emerson meant by lyric language as nothing less than externalization of planet's soul." "By listing, by naming, the atrocities the harrowing stats, the scary particulars in our world-at-endless-war we might at least exert control over our sanity and extend our mind and compassion to others. It is a connected universe as Spahr so forcefully and powerfully reminds us. This Connection of Everyone with Lungs is a sustained and anaphoric meditation, a catharsis for our predicament."
