Christmas blow out: regular \$79.95 now only \$19.95 for a very limited time Your Site Visitors Will Tell You Which Content They Like Most By Rating It! Make no mistake about it. If you want your website to attract repeat visitors, your website needs to have have a lot more than just text content. The days of text-only sites are over or, at the very least, coming to an end. Would you like to have a winner niche website? You need to have: articles, advice, tips, jokes, games, audio, video clips. in other words you need to bring together all types of content in multiple formats, all in one place. What else? Today's sites need to be interactive. Answer This Million Dollar Quiz Question: What is the easiest and fastest way for you to make your site interactive and find out what content your website visitors like or dislike? The simple answer is: Let them rate the content you have on your site! That's one of the most important ways you could make your site interactive. Today's sites need to allow people to give their opinion, to rate content, to tell what they like or don't like. or they'll just leave without you ever finding out why. You can also have your site visitors contribute links to the hottest content in your niche! Psychologically speaking, people like websites they contribute content to and they are more likely to tell their friends about it! The challenge is, how can you create and manage such a content-rich site? The answer to the challenge is...VIP Interactive Site Creator allows you to create and manage interactive SEO Niche sites where you can have articles, tips, jokes, pictures/images, audio, video and games, as well as have ratings and comments by site visitors, and a lot more
