What is The Lotto Black Book? The lotto Black Book is a system that uses patterns to pick winning lotto numbers based on a Mathematics Professor and 3 times Multi-Million Dollar Lotto Winners strategy that he and many others have used to successfully suck millions out state lotteries around the country. What Does The Lotto Black Book Claim? The Lotto Black Book guarantees youll win the lotto with in 60 days of using the system or you get double your money back. What that means is if you put the system to use and dont win in the first 8 weeks you make \$100 just for trying it out. The way it works is, you simply track and write down the winning numbers from past lottery's, apply Larry's formula, than play the numbers biased on the formula's prediction. Does The Lotto Black Book Work? Now of course there's no sure-fire way to win the lottery every time, but Larry's system does give an advantage that is clearly seen by him and many of his past customers results.
