How can it be that you are in the Bible? It is a mirror in which you can see yourself. The Apostle Paul said we would see dimly at first and then face to face. When you spiritually interpret what you read in the Bible, you will more clearly understand your amazing relationship to God. The Bible is an enjoyable reference book for your life, once you have some tools with which to bring to light its true meaning. It is also a sacred text written by inspired teachers who expressed it in the context of the ancient civilization in which they lived. And yet it is the story of your inner development as well. Metaphysical or Spiritual Interpretation is the clearest, most uplifting and useful way to understand the Bible's message to you. Author: Lunde, Carole M.
