Instantly Give Your Affiliates Everything They Need To Promote Your Product & See Your Sales Go Through The Roof! If you are Running An Affiliate Program - Any Affiliate Program, Then You Just Cant Live Without This Tool! Are you running an affiliate program of some sort? Then I assume you agree with me on the fact that setting up the affiliate promo-tools section can be a real pain. Unless you have purchased some expensive affiliate manager script, that is. But Times Are About To Change! Presenting: Promo Page Generator This brand new script allows you to create professional promo tools pages fast and easy. And maybe the best part about it is that you dont need to know anything about HTML or PHP - If you can copy & paste, you can present your affiliates a fully featured promo tools page in less than 10 minutes Everybody knows most affiliates are pretty lazy. They dont want to spend their time creating promo tools for the products theyre promoting. (And who can blame them?) And since your success is directly determined by their success, you will have to do it for them! By giving your affiliates ready-to-use affiliate promotion tools with their affiliate links already embedded, the number of affiliates actively promoting your products will increase, which will - of course - have a positive effect on the number of sales you make. Promo Page Generator is a simple PHP script that will guide you through the process of creating such a professional promo tools page step-by-step. No complicated coding involved! And maybe the best part about it is that it works with ANY affiliate program; it doesnt matter if you are using Clickbank, Saleflurry or any other - as long as there is an affiliate link, PPG can do the job for you! Here is what Promo Page Generator WILL do for you: Create a neat PHP-page that lists all available promo tools: * text links * Email Copies * Signature Ads * PopUp Ads * Image Ads * eZine Ads * Top Sponsor Ads - Add your own header- and background image. - Add your affiliate link to the recommended site URLs. - Add your affiliate link to the Powered By PPG message at the bottom of the page. - Generate the code & provide the instructions needed to create a form affiliates can use to embed their affiliate link. - Provide you with an easy way to upload your file to your server (through webbased FTP) PromoPage Generator is a PHP script, but it requires NO complicated script install or MySQL database. If your server supports PHP (most of them do), you are all set! Just upload the entire script to your server, and you can

start creating an unlimited number of promo tools pages to present to your affiliates. Believe me, they dont come any easier than this! Get Promo Page Generator Now & Use It To Motivate Your Affiliates and Increase Your Sales !
