

# Live Tv Script (php)

[DOWNLOAD HERE](#)

As a website owner, you would certainly want your site to generate a lot of traffic. What better way to attract visitors than with live television/video streaming! You can add your favorite channel feeds to your site and see the improvement immediately! As one of the pioneers in providing live television streaming, Live TV Script will allow you to pull in live television streaming from other websites like You Tube, Daily Motion, Stage 6 and any other video site. You can also add RSS feeds to have continuous content without spending time on updating your site! Since you will just be essentially adding channel feeds to your pages, you will only be using very minimal bandwidth. Based on simple PHP and MySQL, webmasters will find that installing Live TV Script is easy and convenient. Adding channels and modifying site features will all be done at the Admin Panel ? making site management quite a breeze! From the Admin Panel, you can easily manage the following: - Categories - TV Channels/ Videos - Technical Problems - Terms and Conditions - News Live TV Script is the answer to all your live television streaming needs. It is easy to install and very efficient! In addition to making your site more interesting, you can easily increase your site revenue with Live TV Script. Visitors and guests to your website will definitely stick around longer with live television streaming. It will enhance your websites appeal and keep your regular visitors updated with the latest video! It is simply an effective way to keep your clients interested! DEMO - - [megaupload.us/demo/](http://megaupload.us/demo/) price is only \$35 for one domain
