Getting traffic is one of the essential tasks all internet marketers must do! But what bugs me is that after all the hard work getting people to a website, the majority of them wont stick around long enough to have made the work worth while. What if you could get a second chance at all these website abandoners? A way to pull their attention back to your site, to capture their email, or give them a special discount or alternative offer before theyre gone for good! Do you think that would help you increase your profits? Of course it would! Well Ive developed a remarkably simple system that allows you to do just that... Introducing The Brand New... Traffic Convertor Pro Traffic Convertor Pro is a small php script you can use to generate little exit traffic salesmen. As soon as they get a sense someone is about to abandon your site they jump into action, funnelling the traffic where you want it to go before its gone forever. You can generate an infinite number of these salesmen and put them on any webpage you want. All you have to do is add one line of javascript code your webpage. This is easy to do, only takes 30 seconds and full directions are provided.
