The Genius Guide to Website Design V2.0 is an Information Package with a Purpose! All the Resources and Tools You will Ever Need to Build and Maintain a Great-looking, User-Friendly Website are included in this huge package. Do you want to learn how to build a great-looking website in a short time? Or perhaps improve your existing website without having to look all over the web for the resources you need? It can take forever to find the right scripts, templates, software, graphics to build a great website, and even longer to maintain it and keep it fresh. Whether you're building your first website or enhancing your existing one you'll most likely spend more time SEARCHING for the information you need, than actually putting it to use on your site. The Genius Guide to Website Design is a COMPLETE resource in itself and also includes over 60 products to download. This includes reseller rights but you Must register as a reseller from the reseller link inside th
