Get Crawled, Indexed, And Ranked Fast By The Search Engines! A Desktop Software Program that completely automates the whole blog and ping process freeing you up to time into the areas of your business that you need to. Simply put, Instant Blog and Ping is like having a little automatic, money-making robot working for you, tirelessly.. day and night. Search Engine Optimization Junkies, Internet Entrepreneurs and Webmasters with the inside scoop have been Buzzing for months about a super fast method of getting your entire site pages crawled within a week, and even in some cases within a Matter of Days. But Blogging and Pinging Every Page is the Hard Part... You see, ever since the release of the famous Blog and Ping Tutorials months ago, the process taught people manually how to: Create a Blogger account at Blogger and setup the settings (shown in software guide) Create a my.yahoo account and take the RSS URL found in Blogger and place it your MYYAHOO account Go back to your Blog and Post pages from the site you want crawled and indexed to the blog Ping the Blog Aggregator like Yahoo and place like Pingomatic and voila! Whilst this sounds simple enough ...and well ...it is if you have only 7 pages on your website and 1 website, but many people doing business online have lots of site and lots of pages, and not a huge whack of time to spend posting pages to their blog in set intervals. So people have been faced with 3 options: Post every Page from your Site to a Blogger account Manually Post every Page from your Site to a Blogger account Using a Paid Service Post every Page from your Site to a Blogger account Using Expensive Software Now, It could take you days if not weeks to post manually and cost you a small fortune paying out to a paid service or buying software that starts in the hundreds.
