Exit Profit Generator "Finally, an easy way to squeeze more profit out of your exit traffic!" Revealed! New Technology Knows The Very Moment Someone Try's To Leave Your Website And Stops Them Right In Their Tracks With A Profit Generating Unblockable Exit Popup! Exit Profit Generator is a small php script you can use to generate mini 'exit traffic marketers' for as many websites you want. As soon as the EPG gets a sense someone is about to leave your site it jumps into action, funneling the traffic where you want it to go before its gone forever. You can generate an infinite number of these "mini marketers" and put them on any web page you want. All you have to do is add one line of JavaScript code to the web page. So easy to do, even a caveman can do it! Once you have your HTML ready for your popup, it will only take about 30 seconds! And not to worry, full directions are provided. "If You Can Click, Copy, and Paste, You Can Use "Exit Profit Generator!" Here are just some of the ways you will benefit when you start using 'Exit Profit Generator' today! \* Build Your Opt-In List - Mention whatever free gifts you give away to get more people to opt in to your list. \* Promoting Affiliate Programs - Make sure everyone knows about the latest affiliate program you're promoting just as they try to leave your site. \* Special Offers - Offer a discount or additional bonus to encourage those who were on the fence to order your products, your conversions will jump thru the roof! \* Pre-built Salesmen - Give your affiliates EPG code they can add to their websites to promote your products. They're happy because they increase their commissions, and when they make more money, you do too. \* Exit Surveys - Ask your visitors why they are leaving and you'll get all the information you need to improve your offer and increase your profits! \* Building Anticipation - Get people buzzing about an upcoming promotion of yours. Give them a little taster of what they can expect to see soon. \* Audio / Video Messages - Load audio or video messages to remind your prospects of your products main benefit or what they stand to lose by not taking action immediately.
