Affiliate Link Encrypter Completely protect your affiliate link from commission thieves and prying eyes via Click Bank Toolkit Encryption Technology, thereby increasing your commissions Affiliate Link Cloaker Disguise your links to affiliate pages as normal links ('Link Cloaking'), and practically DOUBLE click through rates, according to a recent internet marketing study Make Money With This Software Find out how you can create a significant additional income stream with very little effort via this software You are advised to: Use the Affiliate Link Encrypter to encrypt your affiliate link and create a special page on your web site that will forward automatically to the link you have encrypted - this will prevent commission theft; and then Use the Affiliate Link Cloaker when you publish a link to this new page you have created, to make it appear as if you are linking directly to the web site rather than via the affiliate link - this will increase your click-throughs This technology is compatible with ANY affiliate program, not just ClickBank. Please redistribute this tool to your own affiliates - this is a great way to increase their loyalty and bring you increasing commissions. You can also rebrand this tool with your own affiliate links to the Click Bank Toolkit once you become a customer, and thereby add a powerful income stream to your business Tags: links, cloak, download, protection, encrypt
