Get yours NOW - When they're gone - they're gone From: Tracy Yates Dear Budding Netrepreneurs, I recently visited a very successful Business Consultant and to find out what knew about building and market profitable Websites. As I sat in his luxurious home office, sipping a class of chilled Chardonnay, It struck a chord in me that drove me towards this quest of putting together this easy to use simple to understand replicable system .It struck me so hard that if feels like walking into a lamp post, walking with your eyes closed, trying to inhale the cool and fresh air! The answer is Site Pro Wizard! Imagine this. Think of a system that generates unlimited number of Websites that are fully pre-search engine optimized, back it up with the coolest marketing tools to allow ANYONE to start a profitable online business easily. When I mention anyone, YES! I do mean everyone can start an online business..... even if you do not have a single product. This powerful desire gave birth to an easy to understand system that can help you build unlimited number of profitable Websites and market at one go! More than a year in the trenches of research and development... We have invested more than $27,000 and more than a year in research and developing this powerful system that the simplicity in using it will just amaze you. The fact is that when you put it to use, you can now take that vacation feeling assured that you have one of the most scalable tools ever developed to make make a staggering online income even when you know nuts about HTML.. That's not all, when you invest in Site Pro Wizard now, you are entitled to the full master rights. Improved parsing algorithms Skip that long and boring learning curve of building profitable Websites! A typical scenario. Are you faced with these questions everyday? How do you decide what to do next? What can be the perfect internet marketing tool for you? Assuming that 90 of books bought were never been read, how can the reader gain his knowledge on Internet Marketing? It took me six months to learn how to build my first Website. It took me another 18 to make a substantial living from the net. Lucky? No I don't think so. So how can you shorten this, you may ask? Easy. Think of Site Pro Wizard as the software that will guide you through and present you with all the important tools for successful Internet Marketing. Site Pro Wizard is designed for ease of use without any HTML knowledge. .. Select a niche keyword from the promote section, fill into the blanks. And all the meta tags for your template pages are automatically created. Just select the template for the Website that you would like to design. Enter your colour preferences and click preview. VOILA! your Website is done! Need some editing? Just go back to the specific question and edit it as you wish and click and that's it your webSite has been updated. Submit your Website to the search engines and build the link directory for better search engine positioning easily. Want to have even better and faster profitable results? You can choose the manual method where you have to go through all the trouble to find only a single qualified JV partener or just skip that by using the

JV finder tool to find the top 5 of affiliates who will help sell your products faster then you can say... "huh?" Just key in a search term or a URL, get a cuppa of coffee and all the information including phone numbers and even addresses, ready. (This software alone is selling at $197 for a single usage license.) What Makes Site Pro Wizard So Different From Others Advertised?
