Dear Friend, We all know the money is in the list. Every guru preaches it And with good reason! Without launching a new product, how else are they able to make an extra \$3,000, \$7000, or \$15,000+ in ONE day? You guessed it... It's all about their lists. But how exactly did they get that list and how are they able to rake so much money from each mailing? They know how to... Grow A Huge List And How To Profit From It! Some have lists in the hundreds of thousands. Do you think you could make money from that? Let me give you a quick example... Let's say, for illustration purposes only, that you have 10,000 people on your email list. You send out an email to those 10,000 people offering a \$47 product (where you make \$25 as an affiliate). Of the 10,000 people that you send it to, you get 1,000 to click your links in the email and actually visit the product you are recommending. Now, let's say that the conversion ratio on the salesletter you send them to converts at only 3. That means 30 people of the 1,000 people you send will actually buy the offer. At \$25 for each sale generated, you just made yourself a very very easy \$750 with just ONE mailing. Now imagine if you had 30,000, 50,000 or even 100,000 people on your list.
