Turnkey Spy Software Website - Instant Clickbank Business!! This site uses the clickbank affiliate program from originalprogramsthrough Clickbank that earns you up to a 51 commission on every sale from your site. How this site is useful is it uses javascript and a frameset to set a cookie on a visitors machine. Orders appear to be coming from your site as the only site the visitors sees is the spy site and the clickbank payment processor. Clickbank uses a cookie based system for credit that stays on the visitors machine, so even if the visitor orders directly through originalprograms.com's website, you still get credit. This site also uses a javascript based popunder that randomly displays a clickbank merchant site with your affiliate code everytime your homepage is loaded. This popunder again places a cookie on the visitors website with your affiliate ID for whichever site loads. If the visitor visits that popunder site again from their machine within 3 months of cookie date, then you get credit for the sale, even if the visitor does not order directly through your site. Website Features: * Almost 100 automated * Non-affiliate based. You keep all profits * PayPal friendly Included Templates: 1.) Blue 2.) Green 3.) Purple 4.) Camo 5.) Steel 6.) Burgandy 7.) Neon 8.) Copper 9.) Red This Product Comes With Full Master Resale Rights
