Have you wanted to be able to give out coupon codes, but didn't have a way to do it? Coupon Buzz is your answer! Generate unlimited coupon codes easily just by following step-by-step instructions. Set expiration dates to motivate customers to order NOW! You can set one-time-use codes to prevent coupon abuse. Generate special offers for customers, JV partners, and affiliates. Increase customer loyalty! Tracking is included. See which coupons were used, and how many times (for multi-use codes). Now you will be able to tell which campaigns are the most effective, simply by using a different code for each campaign and then looking at your tracking! Now you don't need a fancy shopping cart to handle coupons. Just set them up through this to take care of all your needs. Includes resale rights.
