"When Joel Comm Studied His First 5 Figure AdSense Check For \$11,823.65 He Thought He Was Dreaming!... Had Google Made A Mistake? He Waited For The Call Asking For The Money Back." But That Call Never Came, Just More Checks! And Now Here's Your Chance To Discover The Real Secrets To Legally Stealing A Share Of This \$10 Billion Dollar Advertising Pie... Are you one of the hundreds of thousands of publishers online already using AdSense on your website to generate income? If you are, or if you like the idea of making 'easy' money then it's your lucky day... PASSIVE INCOME! Sounds good doesn't it? - But in reality only a small percentage of content publishers ever find that elusive 'magic formula' If you're already in the game but just not earning the amount of income you'd like, then you'll be surprised to hear you have a lot in common with Joel Comm because that's exactly how he felt when he got started way back in June 2003...
