High End Affiliate Marketing Secrets The interview of an extremely successful high-end affiliate marketer. His name is Josh Peak. Josh has actually developed a very interesting business model because he is a professional affiliate marketer, but not for your average \$20, \$30, \$100 programs. So, its a little bit of a different aspect or way of doing business than it would be for marketing your low-end, up to \$100, affiliate products. So, Josh has agreed to let me pick his brain for a while and basically go through a run through of how he runs his business and how he actually gets people signed up to his affiliate programs when they cost the dollar figures that were looking at.
