At Last! Create Stunning Web Videos With Point-and-Click Simplicity And Generate An Insane Amount Of Visitors To Your Videos Thanks To Our Exclusive Viral-Profit-Sharing Features! Its Never Been Easier to Get a Professional-Looking Video Without the Huge Price Tag and Steep Learning Curve! In just 3 simple steps, you can create a web video thats easy, fast and enjoyable! No more struggling with timelines and key frames, no more file format frustration! 1. Choose your pictures, animation or existing video file 2. Select how long you want the video to run, add text and special effects 3. Press a button - DONE! Instant web video that looks great, loads fast and is ready to share! Add Stunning Video to Your Site in Just Minutes! Niche Video Creator has all the viral marketing features already built in, making it easy for your site visitors to add your video to their own sites, tell their friends about it and much more! Plus, Niche Video Creator videos load 5-10 times faster than normal web videos - without losing quality. That alone is a highly valuable feature that will help you keep more visitors on your site and not losing them to long download times! Once you create your video, adding it to your site (and letting other people add it to theirs) is just a matter of simply copying and pasting some code onto your web page. Thats all there is to it! Are you starting to see the amazing potential of this yet? Im sure your next question is probably Powerful Built-in Viral-Profit-Sharing distribution features to quickly generate a Huge amont of traffic to your videos and your web pages. With the ease of 1 click you can transform your Video Player into a Traffic Engine, by redirecting every visitor clicking on it to any of your web page! You may also allow your visitor to display the video on their site with a simple copy / paste of 1 line of code! Distributing and sharing your video has never been easier. BUT, theres even better: you can allow any visitor willing to display your video on their web site to rebrand it with their affiliate ID, meaning they will really be motivated to display your video and drive traffic to it!
