KFC Coleslaw AWESOME ALL THE WAY AROUND SURELY A KFC FAVORITE KFC Pot Pie Do to the waste of chicken in the restaurants the Colonel created a recipe to help use the chicken that was unable to be sold. So he devised the potpie recipe. See chicken could only sit and be sold for 2 hrs after it is fried. You can mix it or have the beans on the bottom and rice on top and mix as u eat. KFC Corn A favorite of the Colonel was Corn on the cob and he deiced if he was going to sale it it had to be delicious and sweet . KFC Macaroni Salad The Macaroni Salad that Colonel Sanders used to use is listed below. The recipe is just the basic recipe. However it has been altered many times. KFC Mashed Potatoes The mashed potatoes are served and made by mix. It comes in a bag just add water and butter. Many people just come to KFC to get these potatoes and gravy.

The Kentucky Fried Chicken Marinade Before you cook the chicken it has to be marinated. The original way that the Colonel used to produce his chicken was to marinate it. The following Marinade recipe is still used today at KFC for the Crispy Strips which are marinated daily in 40 to 80 lbs at a time, however the amount of this marinade is only good for about 15 lbs of chicken.

KFC Original Recipe The Original Recipe is not packaged in three different places. The way it is cooked and the process makes it taste like it has eleven herbs and spices when in reality there is not. The way it is done in the restaurant is using dried eggs and milk in the flour along with a box of breading salt and the seasoning bag and a bag of breading flour.

KFC Extra Crispy After he perfected his original he made a crispy recipe that was marinated first then fried the conventional way. This one is double dunked into the coating to give it its great taste.

Hot and Spicy Chicken Once he perfected his Extra Crispy he had customers who wanted it to be spicy and bold so he created his Hot and Spicy Chicken. Here is his original recipe which has changed a bit in this day and age. It comes frozen and is cooked frozen and not prepared fresh in many stores.

KFC Crispy Strips The Colonel used to sale chicken nuggets that were tasty but he taught why not prepare fresh chicken strips of all white meat and that is how the Colonelfs Crispy Strips were born. You will notice it is the same as the Extra Crispy.

KFC Wings The Colonel deiced that wings were going to be a good thing to serve and so he decided to create fried wings that are very tasty. The Honey Barbecue wings are tasty . After they are made they are dipped into the Honey Barbecue Dipping Sauce. If you donft want the honey barbecue wings just serve them as the regular wings.

Tender Roast The Colonel also had a Roasted chicken that was mighty tasty. The chicken was marinated also and then baked with his famous seasonings. The baking process was long it takes 4 hours to bake it. It is baked at 225 for 2 hours till the internal temp was at 175. But for you at home I have updated this to be baked at a hire temperature and be prepared in less time.

KFC Honey BBQ Dipping Sauce One of the favorite items that is on the menu is the Barbecue sauce that was original made fresh in the store and used to dip the wings, the original chicken and now the chicken strips. Now it comes in a bag and all we have to do is add hot water and keep warm
