Attention - After you read this page you will never have to spend a dime on a professional copywriter again... in... "Write A Million-Dollar Sales Letter In Under 10 Minutes By Simply Filling In The Blanks!" Save Time And Money By Firing Your Copywriter And Start Pumping Out Order Pulling Sales Letters Instantly! A professionally written sales letter can quickly generate thousands of dollars in sales. On the other hand, if your sales letter stinks like a wet dog you can lose thousands of dollars in potential sales regardless of how good your product is. After creating my first website it struggled to make even 1 sale a week. I received hundreds of visitors to my site each day, but made very few sales. I decided to crawl out on a ledge financially and hire a copywriter. What happened next shocked me... My conversion rates skyrocketed. Sales didn't just double they flowed like an incoming ocean tide. I was generating sales daily instead of weekly. I learned the value of a professionally written sales page overnight with solid proof in my now bulging bank account. Professional copywriters have mastered the art of getting website visitors to take their wallets out of their pockets and make the purchase. They use the hypnotic power of certain words to increase the perceived value of your product , causing people to take action. This converts them from passive website visitors to hungry customers who cannot sleep until they have what you are offering! "So, why not just hire a copywriter for all your websites?" Good question... Do you have tens of thousands of dollars laying around to hire a copywriter to write a sales letter for every product and website you build? Copywriters are very expensive. You're going to pay a copywriter more money then you would pay a doctor or a lawyer! Makes you want to become a copywriter huh? Some charge up to \$25,000 for one sales letter! Making money online really comes down to two cold hard facts: 1.You will have to hire a copywriter, or... 2. You will have to spend years learning how to write effective ad copy. I don't know about you, but time and money are two assets that I like to hang on to! I am a real penny pincher but without a powerful sales letters I would have no pennies to pinch. I was in a bind and, well, necessity is the mother of invention so... Revolutionary new software "Sales Letter In A Box", allows you to quickly create powerful sales letters and turn ANY site into a 24/7 money-making machine.
