Dear Friend, I now get 400 more click-thru's unbelievably more opt-in's and have doubled and tripled my sales just by using this one simple technique. You see, When I started marketing affiliate products I made all the mistakes (just like you will or have too). Unless you continue reading. I would go to Clickbank or Commission Junction and find a really good product for my niche and then I would sign up as an affiliate and get that UGLY URL. And then comes the BIG MISTAKE everyone makes... You send out an email to your list or you create this great webpage and what do you do you paste that UGLY URL into your work. I did it and I'm sure you have too... When you do this it's like wearing a big brand that says this is not my product. The Solution: Link Shrinker! Link Shrinker will take your UGLY URL Like: affiliateid.merchantid.hop.clickbank.net and it will create a professional looking simple URL that is personalized with your own domain and cloak the UGLY URL to: yourdomain.com/go/campaign_name Or yourdomain.com/visit/campaign_name Or yourdomain.com/recommends/campaign_name This is the secret that all the big marketers use today. Link Shrinker installs in less than 5 minutes and you can be creating professional affiliate links in just minutes after installation. Link Shrinker Features/Benefits Redirects and Cloaks Affiliate or Long URL's. Changes long URL's into short ones. URL's contain your domain name. Simple Administration Panel. Keeps Track of your Clicks. Stores Information about the Affiliate or URL site. Creates Search Engine Friendly URL's. Runs on your own server. Easy Installation (6 simple steps). As you can see Link Shrinker will simplify your URL's and make your customers think that it comes from your own website. Let's look at what you'll be getting with the Link Shrinker today... By now, I hope you see the value of this program, and how it can streamline your business, skyrocket your opt-in's and boost your sales. When it came down to choosing a price for this new program, I had a hard time deciding how much to charge... I normally sell programs of this type for \$97.00. But I wanted to do things different this time. So here's what I've decided to do... I want to give this to a limited number of people, so I'm putting a limit on 250 copies. Once they are gone this sales page will disappear and never come back. It will be gone forever! I'm giving you the opportunity to pick up this great product at a fraction of its value. As I said, I could be selling it for over \$97... but today you can have it for

only \$37.00. To top it off I'm giving you my 100 Unconditional Guarantee, and if you don't like Link Shrinker return it for a full refund, no questions asked...period I know I am offering a tremendous bargain, and I believe that you will increase your profits by adding Link Shrinker to your business.
