STRATEGY 1 CRAIGSLIST ARBITRAGE Concept Summary: Search Craigslist gigs section and look for people who are in need of website, blog design, social media setup etc... Bid on the job and arbitrage the work to fiverr or another outsourcing option. Suggested Steps: Pick a large city like Los Angeles on Craigslist Go to the Gigs section and select computer Look through the most recent posts. There will be plenty of web design and blog help gigs Respond to the person with an email such as this: Hello, I am responding to your request for website design assistance. I work with solopreneurs and small businesses to help structure a high quality web presence. I am confident that if we work together, I can help meet all of the requirements you are looking for. I have attached a short white paper that I wrote that describes the most important aspects of web design from a Search Engine Ranking perspective. Even if we don't work together, I believe this will be of great value to you. If you would like to get started, please let me know and we can come to an agreement. Thanks for your consideration. Obviously in order to complete the previous step, you will have had to prepare a white paper ahead of time. You can easily have this done on fiverr or you could do some simple SEO research and compile it into your own 1-2 page report. And more... Tags: seo
