Regards, Thomas Salvador. P.S. Visit salvador.tradebitfor more high quality products. Visit plr.li for more quality products with PLR P.P.S. What is this .diz thing? The .diz files are just regular text files, you can open in your favorite text editor. The extension .diz is used that you can put the whole product instantly in a blog tool. This way you do not need to fear, that these lists/descriptions (=not-personal Finance-content) are published on your site. The blogging tool should only process .txt-files. Therefore .txt is used exclusively for publishable personal Finance content, but not for internal information. It is just used to make your life easier. Get 25 personal Finance PLR articles, #13 now!
