Well if you've ever wished for better web site traffic and need a Cheap way to obtain it, then you'll be interested in this hot new web tool package! So how's your web site traffic stats looking? Getting highly targeted visitors in the droves yet? (If you answered yes, you don't really need this product.) Look, let's face it..if your answer is no, then your web business won't go very far. I don't mean to rain on your parade, but that's just the cold hard truth. If you answered no, and you'd like to know MY personal secret to more web site traffic, then please read this sales page carefully. I'm about to introduce to you a brand new PHP web site package that will help you develop a way to bring in highly targeted web site visitors more frequently then you ever thought possible! Introducing...Traffic Boost News Ticker Have you ever heard of a news ticker? Or better yet, have you ever visited a web site and read a scrolling list of news ,updates or articles on that site? If you have, you already know what a news ticker is but let me explain a little more in detail....Web Definition:: "machine providing scrolling, up-to-the-minute news stories." Now here is the significance of having a news ticker displayed on your web site. Here's a statistic you may not know...75 Of web site visitors end up clicking on a news ticker link over staying and browsing a web site. That statistic isn't too good for those webmasters who host news tickers for other webmasters...but for those who order my product and host their OWN news ticker - that is good news. You see, with Traffic Boost News Ticker, you'll not only be able to host your own news ticker but you can bring in a significant amount of new targeted traffic by giving other webmasters a way to host your news ticker on their sites!! Just think of the possibilities here for a minute...Let's say you run an affiliate program. You could program special products and services to scroll in your news ticker and give the syndication code to your affiliates to host on their web sites! You don't have to worry about false spam complaints and they don't have to worry about constantly promoting your products- they scroll automatically on their web sites! This is just ONE use for a news ticker. Here's the really exciting part - Traffic Boost News Ticker will allow you to program and create an UNLIMITED NUMBER OF NEWS TICKERS!! Here's an example of a News Ticker: TRAFFIC BOOST NEWS TICKER FEATURES AND BENEFITS... Company Logo Upload - You
