

Indy Film Making Guide

[DOWNLOAD HERE](#)

If you've ever wanted the secrets to making your own film, here it is Indy Film Insider Tips And Basics To Film Making Exclusive Offer! Never Before Revealed Information! Have you ever wanted to make your own film? Is there a story you want to tell? You might even think that this is impossible. Studios make films, not the little guy. This is probably what you tell yourself. Do you watch films with more than a casual eye? You probably want to know how they were able to get perfect lighting in your favorite scene, or how to write a professional screenplay. Do you watch the Actors Studio and hang on every word they say? My last question is, do sit in your seat at the movie when its over watching the credits as everyone else files out the door . Why Dont You Make Your Own Movie? I know you have dreamed about it, but have you ever seriously contemplated making your own film? Yes Virginia, you too can make your own film, all on your own. If you have played with the idea of what it would be like to direct a film then you have already made an imaginary plan. Why not make it a reality. What else are you doing with your time, going to work at the factory everyday? Are you thinking that Filmmaking is only for studios and professionals? I believe that Independent film has changed all the rules. Doors are opening all over for aspiring filmmakers. Why not give it a try, what do you have to lose? With a little imagination and a lot of hard work you can do this, but you need the basics to get your started. If you feel like you dont know where to start the process, I will show you. Indy Filmmaking Insider Tips This E-book will give you the necessary information in filmmaking that it would take a couple years in college to get. Not to mention hefty tuition fees. Everything you will need to know to get started is in this publication. I give you the benefit of what I have learned over the years. With this information you should be able to get started with a professional looking film. Who needs the studio to make a film when you can do it yourself. With Indy insider tips... 1) You will be able to go from Pre-production to Post once you read Indy Insider Tips. You will have the information you need to go from concept to screenplay and from the shoot to Post-production. You will discover how easy it is to make your own film with info on how to make your film look as professional as possible. 2) Promotion, Film Festivals and Distribution. Once your film is finished you will get the tips on how to promote it. You will learn the value of film festivals in the filmmaking process. All the info written in this E-book will assist

you in getting to distribution. Here is what you will learn inside this guide.... How to develop a concept
How to write a professional screenplay. How to purchase and operate the camera. How to light your
scenes professionally. Audio for your film. Finding a location. How to make a production schedule. A list
of equipment you will need. How to promote your film. And a lot more! How Much Is That Worth To You?
This E-book will cut through all the double-talk and cover only the pertinent info that you need to make
your own film. This is not about film theory and critical viewing, it is the nuts and bolts of filmmaking. This
information in other books are spread out over 3 or 4 full books. Why wait, you can have your start in
making films as soon as you purchase this download. After all, making a film takes time and the longer
you wait the longer you will be spinning your wheels just thinking about getting started. Once you finish
this E-book you will have all the info you need to get started. You will learn how to handle a camera,
sound equipment and lights. You will also learn how to take your story, ideas and concepts and bring
them to life on film. Dont sit around waiting for your ideas to grow wings and fly, make it happen. Order
Indy Insider tips today and get started on making your film. Film Making Comes with Private Label Resell
