Do You Know How Many People Are Really Downloading Your Digital Products? Now you can find out! Our new "Download Meter" is a great script that serves 3 purposes. First, it counts how many times a file has been downloaded. Then, it tracks the location that the download request came from. Finally, it allows you to show a 'Download Starting'....' page like you'd see on many popular download sites. The script is simple to install and easy to use. SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Download Meter and keep 100 \$\$\$ of the profits! You'll even get a copy of this sales page which you can easily customize! In order to protect the integrity of this product, Download Meter CANNOT be packaged with other titles. It must be sold as a "Stand Alone" product. Order Now And Receive Master Resell Rights & Turnkey Website Order Today! Only \$5.00! If you have any questions please email me and I'll get back to you ASAP. Warmest Regards, Tracy Yates
