

The Graphical Optin Template Pack - Volume 2

[DOWNLOAD HERE](#)

Professionally Designed "Testimonial boxes". They attract attention (so your offers get noticed!) They convert at much higher percentages than the standard - out of the box - forms most autoresponder services provide. No need for pop up windows and alike - you'll see conversion rates in the 10, 20 even 30 percentile range once you switch to a graphical optin form. They give a professional image - people trust your offers more when they see a professionally designed, attractive website - it's just fact! The list goes on and on... And now's your chance to have these sales magnets working for you 24 hours a day, seven days a week (for mere pennies in comparison to what the professional designers charge). Tags: im,plr
