

Ezy Unzip Utility

[DOWNLOAD HERE](#)

Super Quick and Easy! Super Inexpensive! The "ZIP" compression file format is one of the most popular formats that computer users world-wide use. Now you too can quickly and easily un-zip your files. Just run the eZy UnZip utility, select the file you want to unzip, select a location of where to extract the files to and you're done! This is NOT an evaluation version and doesn't come with any annoying "Nag" screens! eZy UnZip is a self-contained executable file, no installation required! Compatible to run on most versions of Windows (Windows 98 and above)
