You can take your current PLR articles and spin one article into 100 articles in no time flat with this amazing new software! Dear Friend, The Internet is changing every day, literally. One day, you may have a site that is getting tens of thousands of visitors from the Search Engines and the next day it may completely dry up because you triggered a duplicate content filter. This is one of the draw backs of going after search engine traffic. It can be pretty overwhelming when trying to figure out all of the subtleties of the search engines to get into their good graces, if not damn near impossible sometimes. Not to mention have acceptable content at the same time... What can you do to avoid being penalized? You Need To Have Original Content On Your Website That Is Only Available On YOUR Website! Lets face it, if you have content on your website thats on hundreds or thousands of other sites, the search engines arent going give that much weight. In fact, if Googles duplicate content filter is triggered, your website risks being completely de-indexed and youll be down to no traffic over night! Thats why you must have original content. Original content pleases your visitor, the search engines and keeps a steady stream of traffic going to your site without the worry of duplicate content filters being triggered. But until now its always been a laborious task to create loads of content. Not anymore... Duplicate Content Detonator Creates The Content For You! Duplicate Content Detonator is flat out the easiest content changing system on the market. Its truly, point and click. Creating professional, thought provoking content has never been so easy or enjoyable to put together. Theres a sense of pride that comes with providing quality content to your Internet visitors while snagging loads of Search Engine traffic in the process. In a world of auto-generated, garbage sites that offer absolutely nothing of value to the visitor, the search engine or the real world, its easy to stand out if you have some original content which Duplicate Content Detonator is going to create for you! Here are just a few of the smoking hot features youll get access to...
