You've purchased this product with Private Label Rights. You are free to sell it and keep 100 of the profits. Listen, all internet marketers have one thing in common, they all had to start at the beginning at one time. No one was born with the knowledge and expertise to be a successful internet marketer. The point is even the most brilliant minds had to have some very important questions answered, and they will give you the answers to the following questions in their own words: How do I get buying traffic to my website? How do I write a sales page that gets sales? I feel paralyzed when I try to get work done, how do overcome that feeling? I keep losing money online, how can I start making money? How do I write articles that get published in ezines and posted on websites for free, qualified traffic to my site? How can I stand out of the internet marketing crowd and get recognized as a legitimate expert? You And Your Products Are Being Judged By How Good Your Copywriting Skills Are... What Will The Verdict Be? The good news is it's never too late to improve you're skills or learn new secrets when it comes to writing sales letters. Here just a small taste of what you'll learn about writing a killer sales page that will keep people reading: "Joe Vitale's Unspoken Marketing Secrets!" Probably the most powerful piece ever written that will give you hidden insight of how people think, feel, act and react when it comes to spending money, who they give their money to, plus how and when people will spend their money. The 21 most powerful copywriting rules of all time that will turbo-charge your sales letter into an order pulling machine. 26 proven templates for writing the first sentence of a sales letter or ad. How to increase your response rate by 1800 by tomorrow afternoon in just one easy step. 4 ways you can easily place hidden commands in your sales letter that will certainly give your copy an edge over you competition. How to write your own email letters that get readers to click-thru to your sales letter. Comes complete with a proven letter that you can easily model! 5 easy methods to get your website visitors to believe and buy from you. The "ultimate marketing sin" that is almost impossible to recover from that you must avoid at all costs! Mike Jezek's 4 parallel-logic templates that will give your copy a more magnetic appeal, and with a little practice you'll be able to smoothly weave them throughout your copy to create enticing sales letters and ads that get results. Joe Vitale's two step secret of how to clearly communicate your thoughts to your

readers mind. I highly advise using caution with this technique, you might find yourself making more sales than you ever thought possible. How to control the command center in your customers mind. The smartest online marketers are using this one little known secret to turn browsers into buyers every single day. To Be Successful Online You're Going To Have To Think Like A Winner... Get Ready To Take The Most Exciting Mental Ride Of Your Life! All the online winners have one thing in common: they've learned to change their states of mind that allow them to live an exciting, rich lifestyle. As soon as you download this ebook you're going to learn exactly: Why it's almost impossible to fail online when your willing to do what you're being taught. It's like waking up one morning to find you have no competition! How to get paid over and over again for the same exact work that you doing now. This is the secret that the wealthiest online marketers have been using for years, and there is absolutely no reason why you can't be doing the same exact thing! How to earn six times your original investment when advertising, even on ads that lose money! John Colanzi's one question formula of how to wisely spend money online that will keep you from throwing your money away time and time again on useless "snake oil" scams. Discover Terry Levine's top 7 signs of self-sabotaging behaviors and what you can do about them today. This one is simply brilliant! With this information you'll be armed to stop procrastination dead in its tracks. John Calder's 5 steps to overcome your fear of selling. Never again will you feel guilty for asking for other peoples money! 3 lessons you can learn from a man selling land on the moon! Yes it's crazy and it made him millions. You'll learn exactly why it worked and how you can use the same thought process that'll give you a razor-sharp edge. How you can put the "Law of specialized knowledge" to work for you that will send you traffic and buyers your way while saving you time, money and aggravation. The top 10 destructive money beliefs and how you can overcome them. Dan Klatt will take you by the hand show you exactly how to free yourself from your limiting thoughts when it comes to money. This isn't an ebook you'll skim through and toss into the recycle bin. You get 130+ pages, each page being a lesson in internet marketing unto itself. We're not done yet. On top of all this I'll throw in two bonuses that will brighten you day like you never thought possible. Special Bonus #1: You're Also Going To Get Into The Brilliant Mind Of Bryan Winters And Discover All His Secrets Of Writing Sales Letters That Make Him Over \$100,000 Per Year... What you are about to read is the honest truth... Internet marketing expert Bryan Winters granted me special permission to reprint his Copywriting Secrets Checklist. Bryan made this checklist originally for his own personal use, then decided to release it to the members of his exclusive site. Only after very careful

consideration did he allow me to reveal this checklist to you. These are the same exact techniques Bryan uses to earn well over \$100,000 every year and is a must have reference guide when writing killer ad copy: The amazing truth that will shock you: Discover if even a BAD writer can write a Winning Sales Letter! Learn what your first priority must be before writing one word of ad copy that will increase your profits tenfold. What every sentence should focus on when writing your winning sales letter. Get this one right and your ready to join the 5 who are making money online. How to draw your reader into reading every word and sentence all the way down to your "order now" button. Are you focused on trying to sell your product? Learn why this may be hurting your bottom line and what you must be doing to boost your profits. Learn about the "follow the crowd" approach and why it's so effective. This little known approach alone in your sales letter will leave your competitors in the dust! A time-tested and proven method used by every successful marketer that you can use today to overcome writers-block, and turn your bland sales letter into killer ad copy that will make you look like a writing genius. Are you offering your products at an unbelievable low price? Then you must convey this all important but simple message in your sales letter to make your website visitors believe you and buy from you. The two golden rules of successful marketing that very few people are using online today that you can use to get leverage over your website visitors and your competition. and much, much more... Special Bonus #2: Script Scrilla... You Simply Have To See It To Believe It! Let The Fools Spend Their Money For The Tools That You're About To Get For Free! I have to tell you, when I found this I was like a little boy during Christmas! I knew I had to include it in this package. You can thank Linwood R. Johnson of Tebmu Inc. for these incredible free downloads. Are you ready to see them yet? 1. Feature Rich Affiliate Software Within Script Scrilla, you will find two feature packed affiliate solutions that are fully customizable and can help you build your very own web enterprise. These scripts will save you a \$45 monthly fee or a \$299 investment on affiliate software. Both scripts are feature-rich. Develop affiliate programs up to 3 tiers, integrate with Paypal and many other payment processors and shopping carts. Pay your affiliates different amounts on your entire product line, deliver digital products by e-mail, password protect your products, and much more. Developing your own affiliate program is a great way to leverage your efforts. A well maintained program can easily net you \$5,000 a month. It's time that you get in the game. 2. Flash Screenshot Video Software It's almost a crime that a person can make a ton of money for allowing other people to look over their shoulder while they perform tasks on their computer. You can capitalize! Problem is, the software to produce high quality screenshot

videos can be out of this world. Don't believe me? Just check out Macromedia's Robo Demo or Camtasia Studio. You can expect to shell out at least \$300. When you download Script Scrilla today, you will get your very own full-featured screenshot video software. You can produce both .avi and .swf videos, PLUS add your voice to your presentation. Capture a fixed region or the entire screen. Flash files are great because they produce smaller sized files, so you can create numerous products for big profits. You can easily sell your multimedia products all day for \$97 bucks without breaking a sweat. 3. Plus many more high value free downloads, but I'm keeping those a secret for now... One Final Thought Before You Begin Downloading... You're going to be the same exact person you are today thirty years from now except for the books you read and the people you meet... Are you going to put your future into the hands of just anyone? Over time, you begin to think and act like the people you spend the most time with. The same is true with the books you read. The more you read this ebook, the more you're going to understand how these successful internet marketers think and act. The result: soon you'll find yourself being referred to as one of the most brilliant minds in internet marketing! Million Dollar Secrets From The Most Brilliant Minds Is A Must Have In Your eBook Library! Tags: plr, mrr
