Looking for a simple to use ecommerce website to sell your goods online? Look no further! No costly merchant account required! Works with PayPal! Easy Shop is a complete out-of-the-box online store and is the easiest to use ecommerce shopping cart solution ever created. With Easy Shop, ANYONE can do business online! Designed as an alternative to applying for a costly credit card merchant account, Easy Shop works with popular online payment processors such as PayPal and Nochex. Everything is configurable through an easy to use web-based Store Admin Area, with clear instructions in PLAIN ENGLISH, (with NO technical jargon!) so its ideal for beginners as well as more seasoned sellers. Easy Shop incorporates a shopping cart, ecommerce website and web-based store administration area all in one. Ecommerce was NEVER this easy before! Website Features: Manage your store online via your own easy to use web-based Store Admin Area. Easily add unlimited products, complete with pictures, descriptions and prices. No merchant account required! Take online orders with popular payment gateways such as PayPal and Nochex. Easily change the prices and edit product descriptions to your own taste. No need to add PayPal buttons. Simply enter your PayPal email address in your Admin. That's it! Easily select your preferred delivery methods, including postal and courier services. Keeps an easy to manage record of all customers and orders online. Easily view products purchased and monthly sales reports. Works with UK Pounds, US Dollars, Euros, Australian Dollars or Canadian Dollars. Create unlimited categories and subcategories. Set your own delivery rates depending on the total PRICE of the customer's basket. Print sales receipts from your Admin which you can send to your customers with their purchases. Automated built-in links page where other websites can exchange links with you. Easily send newsletters to all your customers with your own built-in Newsletter Manager. Readily search engine optimized to help your website rank in the search engines. Add your own keywords and meta tags through your Admin to help your search engine ranking. Choose whether or not you want to charge VAT or tax. Option to easily add Google AdSense code to your store. Displays random featured products every time the front page is visited. Text and colours and are completely customizable. Editable About Us and FAQ pages that can be customized in Admin. Editable prefilled Terms And Conditions and Privacy

pages. Includes simple instructions in PLAIN ENGLISH on every Admin page. Includes an easy to understand PDF installation manual. Plus many more features! Web Hosting Requirements: To operate this website, you will need Linux/Unix web hosting with PHP 4 or 5. It is RECOMMENDED that your web hosting has a CPanel Control Panel with PHPMyAdmin and My SQL database. It is NOT guaranteed to work properly on web hosting that DOESN'T have CPanel. To install this website, you should have a basic knowledge of file uploading. Resale Rights Included.
