"Here's The Easiest Way For You To Set Up, Track, And Automate Virtually All Aspects Of Your Joint Venture Marketing Campaigns!" - Don't Do Another Joint Venture Without This!.. What if I told you that you could skyrocket your traffic, produce more sales than you ever thought possible, all with little work and NO out of pocket expense! Would that excite you? There is an incredibly powerful marketing tactics that can truly provide that sort of scenario for anybody wanting it. What am I talking about? Joint Ventures! Easy JV & Affiliate Manager - Powerful JV Management Software! Joint venture marketing has been, and always will be one of the most powerful marketing tactics ever, and for good reason. They are easy to set up, and they cost you nothing. Anybody can start using joint ventures to skyrocket their profits. It doesn't matter what, you sell, or where you sell it. Joint venture marketing is for you! Here are 5 reasons why joint venture marketing is considered the top marketing tactic ever! *1. They're Free! - It does not cost you anything to set up a joint venture. You only pay when sales are made. *2. There Is No Risk! - Being free means that it is risk free. There is absolutely no risk on your part. If the joint venture fails, so what- you lost nothing. If it is successful, you only stand to make a profit. *3. Anybody Can Use Them! - They are incredibly easy to get. Right now, there are hundreds (if not thousands) of people on the Internet that you can joint venture with. *4. They Require Little Time! - You can start employing joint ventures today. They require very little time to setup. *5. They Produce Profits Quickly! - Joint ventures start producing traffic and sales minutes after you implement one. No waiting around for weeks like most other marketing tactics. The above 5 reasons alone make joint ventures a very attractive marketing medium, and that is just the beginning. The Only Problem Is Managing All The Aspects Of A Joint Venture Campaign! If you do it the right way, there is a lot of different aspects to run and manage. Things like contacting all of your JV partners, sales and visitor tracking, payment options, etc.. This could all become very confusing, and incredibly time

consuming doing it manually. If you had just 10 joint venture partners, you could get swamped with all the work involved in managing which JV partner is doing what.. But that problem has recently been solved... Easy JV & Affiliate Manager is a software program that is installed on your server. It will track and manage all of your joint ventures for you without you lifting a finger. Now you don't have to go it alone. Easy JV & Affiliate Manager will automate virtually all aspects of managing your joint venture partners. It'd be crazy to try and do it manually. This new software will free up time so you can do more profitable things. Here are just a few key features: *No text files to edit *Full admin area to keep track of all of your JV partners *Full tracking of hits, sales, referral URLs, etc. for your JV partners in the JV area *Ad tracking technology for your JV partners to use *Can run on two tiers *Can integrate with any payment processor for sales tracking. *Paypal split-pay instant commission technology *Everything (emails, JV area HTML, etc..) can be edited by the admin *And much more...
