Imagine Creating Your Very Own Website From Scratch Using Only FREE or Low Cost Tools ... PLUS - A Special Bonus For You: If You Order Today You Also Get Full Resale Rights To This Product And Website So You Can Sell It Yourself And Keep Every Single Dollar You Make! Hi, I'm Randy Baustert - The Hermit, have you ever dreamed of having your own website but didn't want to pay through the nose to get one? I have been building websites, installing scripts and optimizing sites for the search engines since 1994 and I am going to show you how you can create your own website from start to finish using only FREE or low cost tools: You Don't Need to be a techie! You Don't Need to be a graphic artist! You Don't Need to know what DNS or FTP are! You Don't Need to know how to create content for your site! You Don't Need to be a search engine optimization expert! It is ALL REVEALED to you in these easy to follow video lessons! ----- Sound impossible?

Well, you may be surprised... You can have your website up and running in no time! Whether your site is designed to sell a product or service or just to keep your friends informed of what you are doing you can create your very own website. Every action in the creation process is done with search engine optimization in mind. So just by following the simple videos you should rank well in the search engines. These incredibly powerful yet very easy-to-follow website creation tutorials come in the form of fourteen brand new videos you view directly at your computer. I've bundled these powerful videos into a product called Easy Website Creation From A to Z These fourteen videos come to a total playing time of 115 minutes. Here's a quick list of exactly what you get:

----- Video One (7:39 Minutes) Choosing and Registering a domain name. This will show you how to find a keyword rich domain name that will help your search engine rankings. ----- Video Two

(10:54 Minutes) Finding Hosting and Pointing Your Domain to Your New Account Here you'll discover how small changes to the graphics on your website can bring you a LOT more free traffic.

----- Video Three (8:11 Minutes) Where to Get Professional Photos Cheap! In this video you'll discover how to obtain great graphics for your site without

being an artist. ----- Video Four (12:44 Minutes)

Creating A Simple Photo Header This video will show you how to convert your graphics and photos to a header for your website. No artistic skill necessary!

----- Video Five (7:25 Minutes) Adding Text and a Border to Your Header Graphic In this video I'll show you how to quickly and easily add text and a border to your header to make it stand out. ----- Video

Six (8:10 Minutes) Set Up Your Website Folders and HTML Editors This video will show you how to set up your folders for your website and show you some HTML editors you can use.
