Master Resale Rights and Resellers Website Included! Classified ads provide the most economical way to get your business into the public eye but do YOUR classified ads produce results? If you're like most webmasters, they probably don't and if they don't, you could be losing out on web site traffic. Classified ads are much harder to write then solo ads because they are significantly smaller in size. This requires you to really pack a punch in a very short amount of space. Most webmasters fail miserably at this and either run a poor campaign or are forced to hire an expensive copywriter. But you don't have to do that..not anymore... By releasing Class Ad Factory V.1, I'm offering you a way to learn how to write profitable classified ads the right way. You'll learn the 4 ingredients that all copywriters use to create powerful ads and the software will even generate some pre-written ads for you! Now here are the top 3 reasons for using classified ads.... #1 They Are Easy On Your Budget. Classified Advertising is very easy on your budget. In fact, you an find billions of classified submission sites on the Internet for FREE - yes FREE! You'd be crazy to pass up free advertising. If you like to reach a newspaper audience, classifieds are the cheapest route to go. #2 Increased Site Link Backs. If you utilitize the billions of free classified ad sites on the net, you'll increase your link back rating ten fold. This is because of the increased number of web sites linking directly to your site as a result of your classified ad submission. Remember, the more link backs that you receive from other sites, the higher your search engine ranking will be! #3 Utilize Ezine Advertising. Classified advertising is a very popular promotional service offered by eZine publishers - almost always free. Since eZine advertising is a widely used and effective form of Internet Advertising, webmasters stand to profit using this form of promotion. Class Ad Factory V.1 FEATURES... Open, Edit, Save Files - You can save, open, and edit any file you generate using the software interface. This comes in handy if you should ever need to go back and change your ads or just for backup purposes. Step-by-Step Instructions- No Copywriting knowledge necessary to run this software. In fact, Class Ad Factory V.1 will take you by the hand and will ask you each necessary question one step at a time. At the end, it will spit out your classified ad in multiple formats. Easy as pie. Easy Fill In The Blank Interface- Simply fill in the blank to generate your classifieds. It's really that simple! FOUR Generation Outputs-

Class Ad Factory V.1 will generate your ads and deliver in four different outputs: Copy to your clipboard, Save as text file, print ads, OR eMail the ads. (Useful if you want to provide a classified ad generation service to your clients!) Professional Classified Ad Generation- You can create an unlimited number classified ads quickly and easily with this new software. Class Ad Factory V.1 will provide you with one custom classified ad, according to your offer PLUS will generate a total of five pre-written ads that you can use wherever you'd like! On Board Resources & Classified Information - I've also included a resource section in the software control panel that gives you tips and advice on writing classified ads as well as a list of free classified sites where you can submit your newly generated classifieds! On Board examples and word lists - Part of successful ad writing involves knowing which words are powerful and command attention in the English language. I've included this list in the Class Ad Factory software. SOME MORE INCREDIBLE BENEFITS OF OWNING THIS PACKAGE TODAY.... Gain more web traffic by using classified ads that command attention. Save time and money. Super Easy to Install! Option of offering a Classified Ad generation service to your clients! There are endless benefits and possibilities using Class Ad Factory V.1! Make $$ reselling this software or adding it to your membership site! Knowledge of Copywriting-- not necessary! If you can copy text ...you can use this software!
