You've seen them and maybe even bought something from them. One time offer pages even automatically go to the offer page after the time is up or your customer can just opt for their product they purchased. PANIC OTO is a simple tool that allows you to create a TIME LIMITED offer that will be displayed ONLY ONCE to each visitor. Using a One-Time-Offer is an excellent marketing technique that can make you tons of money! We all know that. But imagine being able to make sure that One-Time-Offer is displayed ONLY ONCE to each viewer? It is a proven fact that people are more likely to read your offer if they know it's the only chance they'll get. A simple little marketing trick that will almost certainly boost your sales. And guess what happens when you add a live countdown so your visitors know it is a one-time offer that will expire automatically, forcing them to decide on the spot? Well, I've checked it out: I've added both features to my OTO, and guess what... One week later, my sales had tripled. Features: With this cool little software tool you can... .. easily add your own special offer. ... decide on the countdown length. ... use this tool with every payment processor that provides a URL for payment. (This includes PayPal & Clickbank.) ... easily change the background image. If you know some HTML, you can change the look of the entire page.
