Give visitors to your website the incentive to follow your Buy Today Sunday, December 13, 2009Friday, December 20, 2002 prompt, with a deadline date, that changes automatically, each and every time. Have you ever visited a site that was promoting something that you were borderline interested in? Then, as you proceeded to read further down in the description, those words Order before Midnight, September 30, 2002 and save 50! seemed to leap out at you! If you were 'borderline' indecisive before, I'll wager those words served to do one of two things. Either you left the site immediately...or, more likely...you recognized a great opportunity and saved a bundle before the deadline....right? And that's great that you did. That's what those words were placed there for...to add some motivation to the 'fence riders' in the world. Well, if you had visited that same page, the next day, you may have been surprised to see the same savings available, extended to midnight that same day (not the day before when you bought!). Want the same thing for yourself or a client's page? Well, now you can have it, and to top it off, you can resell it, for a profit!!
