How can PDM work for me? Paypal Download Manager will secure your files, instantly email download links and fully automate your business. The fully featured control panel lets you control every little detail of the system. Paypal Download Manager will generate a consistent income stream for you! I personally use Paypal Download Manager and have seen hundreds of my customers start earning \$1000+ per month just by selling products from their websites. It only takes 2 minutes to add a new product, and have it for sale on your website.
