From first time she met Mikhail Sommerville, actress Lydia Castle could feel the explosive chemistry with her new costar. Cast as lovers in a steamy historical film, Lydia and Mikhail don't need to pretend to be in lust with one another...both on and off the set. But with the paparazzi and tabloids watching, there is only one way for Lydia and Mikhail to release their sexual tension and keep their privacy: by acting out their passion in the most intense sex scene of their lives...Author: Cassel, Eva Publisher: Spice Briefs
