----- Affiliate Money Machine - Ewen Chia ----- My name is Ewen Chia and I want to thank you for downloading this special report. Heres why this report was written. Ive often received tremendous amount of emails asking for a proven quick way to make money online, and one of the best ways to start as a complete beginner is through Affiliate Marketing. Heres why: simply by promoting a unique affiliate link given by the merchant, you can start making cash online immediately without your own website and product, in fact its probably the fastest and easiest way to start. But being an affiliate is not enough, the true vital element for long-term success (online or offline) is by building an opt-in list of interested prospects you can keep in regular contact with. If youve heard the phrase, money is in your list, its only half true. The real money is in the relationship youve with your subscribers, no matter how big or small your list is. ----- + YOUR SPECIAL RELATED AFFILIATE MARKETING EBOOK GIFT ----- Affiliate Windfall Secrets - Louis Allport ----- Hi, Im Louis Allport, If you know HOW - bringing in cash windfalls with affiliate marketing can be surprisingly predictable - and - easy. A bold statement? Okay - let me start talking you through it: Just linking to a site through an affiliate link is not enough. Heres why: The link may not be clicked. So before anything else, you need ways to make sure people are happy to click on your link. And then - even if they click, cookies may be deleted (this often happens these days, and this means you dont get the commission). So you need a way to make sure people WANT to be referred by you. Yes, it is possible. And after that - even if they click and want to be referred by you, they may not buy. So on top of everything, you need to know how to make people want to happily buy NOW through YOUR link. And it is possible to surprisingly easily align all these factors so you can create affiliate cash windfalls on demand... \_\_\_\_\_ Go to my Tradebit page for more great products on many topics.
